Philips
Adaptor ring for feeding bottle

Classic

SCF925

The half of a two piece anti-colic system

Find matching products on the specifications tab

The adapter ring is one part of the AVENT two piece anti-colic system. This consists of the ring and a silicone teat. As your baby feeds, the unique skirt on the teat flexes to allow air into the feeding bottle instead of your baby's tummy.

Ease of using Philips spare parts

- Renew your product with original Philips parts
